Mastercam®

Cam Tool Library is now available!

The Mastercam® link can now be found under **Resources>CAM Tool Library** on maford.com.

Now you have the ability to download tool specs from our Mastercam® tool library thus eliminating the need to have to draw up each individual tool you use, simplifying the programming process.

New M.A. Ford® Job Shop Catalog ready for Download!

The M.A. Ford® Job Shop catalog features cutting tools designed for short run manufacturing at an economical price point.

If you're involved in batch production, high mix machining or short-run manufacturing, our new Job Shop tooling catalog is the latest 'must have' accessory for your machine shop. The new catalog provides comprehensive information & cutting data on the Job Shop range, including our Twister® HPD & GP drill ranges, TuffCut® XR & GP end mills, as well as helical chamfer mills and kits.
