## Regrind/Recondition Price Increase

Countersink regrind pricing will increase by 5% and our Drill and End Mill regrind pricing as well as our reconditioning services will be subject to a 3% price increase on January 1, 2024. Please click the following link to view the new price schedule: [MA Ford Regrind and Reconditioning Price Schedule](#).

As you are aware, M.A. Ford is initiating a 6.0% price increase effective January 1, 2024 on all General Purpose and High-Performance products. If you require a price file, please contact Ashley Neumiller at: [aneumiller@maford.com](mailto:aneumiller@maford.com).

We thank you for your continued support and look forward to partnering with you in the future. If you have any questions, please contact [Christina Cress](#) or a member of our [Customer Service](#) team.
