## Tools in Action!

### TuffCut® XR-AL Series 334

The TuffCut® XR-AL's, 334 Series Aluminum rougher is capable of roughing with both dynamic and traditional roughing toolpaths, including ramping capabilities up to 30°. Now offered both with our Gem Plus (DLC) coating and a more economical uncoated variant.

### TuffCut® 3D Family

Our TuffCut® 3D family of tooling is designed to deliver optimal performance with exceptional surface finishes in 3D scanning operations across a wide range of ferrous/exotic, and non-ferrous materials.
